Dear Mr. Bryant:

Thank you for commenting on the application for the Coal Hollow Mine. we did receive your comments. The Division of Oil, Gas & Mining is scheduling an informal conference to be held near the locality of the mine. Absent any objections, we plan to hold the conference on June 16th. Once a final location and time have been established we will let you know. If you have any questions, please call me at (801) 538-5325.

Sincerely,

Daron R. Haddock  
Coal Program Manager

Mr. Haddock - I sent my comments to you a few weeks ago regarding the project and asked for about an informal conference. I have learned we can request such a conference per Utah rules #R645-300-123. Can you advise me as to if and when we might expect such a conference. Also, if you did not receive my comments I would appreciate knowing that, as well. Thanks - Bobbi Bryant
